

Alethea

C# riff

intro guitar + solo

I make life easy just by laughin'
I was the first to see the joke
When they said I'm afraid we are losing
Don't like the way you gave up hope

| | |
|----|-------------------------------------|
| G# | Alethea, Alethea |
| F# | Don't let them put the blame on you |
| C# | What seems so bad now |
| G# | Could easily change for the better |

E **C#**

C# riff

solo

I turned away from all that hurt me
Now just a faded memory
Ohh get on track sister baby
Love the love that wants to be

| | |
|----|-------------------------------------|
| G# | Alethea, Alethea |
| F# | Don't let them put the blame on you |
| C# | What seems so bad now |
| G# | Could easily change for the better |

E **C#**

C# riff

solo 2x

| | |
|----|-------------------------------------|
| G# | Alethea, Alethea |
| F# | Don't let them put the blame on you |
| C# | What seems so bad now |
| G# | Could easily change for the better |

E **C#**

C# riff

solo batterie + final
