

# ***My Love (Burning Love) (C)***

*Words and Music by  
Robin Trower and James Dewar*

*So you're feeling down, down  
Baby, I can sympathize  
Double dealing  
He's been running around  
I can see it deep in your eyes*

*There's no melody,  
To his song  
His words don't even rhyme  
But my love  
Is a burning love  
And it's yours 'till the end of time*

*My love, my love  
Yours 'till the end of time  
My love, burning love  
Burns 'till I make you mine*

*Baby, could we start all over  
Would it still have to end the same  
Would you run to him  
With your arms open wide  
The first time he calls your name  
I couldn't take it baby, 'cause*

*My love, my love  
Yours 'till the end of time  
My love, burning love  
Burns 'till I make you mine*

*Solo*

*refrain*
