

***ONLY TIME***  
***ROBIN TROWER***

*Lonely is the mountain stream  
as it wanders to the sea  
Lonely like forgotten dreams  
drifting in eternity*

*Only time, can take this hurt a way  
Change your mind, come with me today*

*Lonely like a broken heart  
who's love can never be  
Bravely holding back the tears  
you want no one to see*

*Only time, can take this hurt a way  
Change your mind, come with me today*

***SOLO***

*Only time, can take this hurt a way  
Change your mind, come with me today*
