

Bad Boy Charlie Vitamine

**-Hey little boy, where is your home?
-I said little boy, where is your home?
Don't your mum call you John
Hey little boy where is your home?
Dear school boy come with me
When I make a big trip on the scene**

**-Hey little boy what's going on?
-I say little boy what's going on?
Don't you fall you'll be alone
Hey little boy what's going on?
Dear school boy come with me
When I make a big trip on the scene**

GUITAR SOLO

**-Hey little boy who calls for you?
-I say little boy who comes with you?
Don't your sister play? Play with you
Hey little boy who calls for you?
Dear school boy, come with me
When I make a big trip on the scene**
