

Too tired for the blues

Charlie Vitamine, octobre 1997

--Oh Baby, I need to tell you something that morning.

--My mind is down and my blood is still full of gin.

-I just wanna play a blues for you

-But no world come out in the room.

--Oh Baby, I'm gonna lieve that room right now

--'Cause my soul is crying to much this morning.

-I'm so tired with politic, money and gin

-And too tired... too tired to sing a blues

--Oh Baby, I realy need your smile and love

--'Cause My mind is gonna too much ups and dow.

-Please Baby, give my some fire for my soul

-'Cause I am too tired... too tired to sing a blues
